

## **Vision**

To be recognized as an educational institution that is ideal for the students seeking higher education that promises and delivers high quality, innovative, responsive and comprehensive education. Our college remains committed to the effective, supportive, safe, accessible and affordable learning environment.

The college equips the students with the skills necessary to respond to the opportunities and challenges associated with ever- changing societal demographics. The Government degree college, Cumbum incessantly endeavours to foster academic breadth and skills training for success in arts and science, general employment. The institution encourages innovation and research while adhering to values and providing a lively environment for the all round development of the students into valuable and resourceful global citizens.

## **Mission**

The mission of the college is to engage students in an intense full-time education, exploration of their creative faculties and development of their social and leadership abilities in a three-year course of study and to deepen and extend knowledge about the formation and utilization of human capabilities.

By strengthening the teaching- leaning process through innovative practices, the institution will stimulate the spirit of scientific enquiry and discovery in academics. By providing state-of-the –art human resources, the college strives for a better educational environment. The college keeps imparting training to the students in entrepreneurial and life skills to avail better employment opportunities.
